1 Based on data received by ISD as at 10/05/2010.

2 Includes outpatient, direct access and community AHP/OTD activity by hospital-based staff;

excludes care provided to hospital inpatients and day patients, and care provided by community-based staff.

3 NHS Dumfries & Galloway have been unable to submit any data for 2009/10, this will be revised in future publications.

4 NHS Lanarkshire are now able to record more complete data for radiography.

Please note: for this publication, data have been mapped to the new Unified Board structures in place within NHS Scotland. Data submitted by Argyll & Clyde Health Board Divisions have been mapped to either NHS Greater Glasgow & Clyde or NHS Highland.
