Thank you for helping us with this survey. We hope you enjoy filling in the questionnaire.

Who will see my answers?

Only the survey research teams at Ipsos MORI (the company running the survey) and the Information Services Division (part of the NHS which deals with statistics) will see the completed questionnaires. No-one else will see your answers. Once you have filled in the questionnaire, put it in the envelope provided and seal it. It will then be passed onto the survey team.

How to fill in the questionnaire

• Please fill in the questionnaire using a black or blue pen.
• Most questions can be answered by putting a cross in the box next to the answer that applies to you.
• Please only cross one box for each question, unless asked to cross more than one box. If it is difficult to choose, then cross the answer that is true for most of the time.
• Sometimes you are asked to write in your answer in your own words, please write this in the space provided.
• Sometimes you’ll be asked to write in a number e.g. the number of times you have done something. If you are unsure, please use your best guess, instead of missing out the answer.
• When writing in a number, please write in figures not words e.g. 23.
• When you are writing a number, please write it clearly and avoid writing over any lines.
• Some questions will not apply to you. At each question you will be given instructions on what question to move onto next.
• If you cross a box and want to change this, please shade the box of your first answer and then cross your new answer in the box that applies – see example below.
